KM Provides One-Stop-Shop for Personal Finance

New Office Opens in Downtown Litchfield Park

KM Advisory Group is Litchfield Park's newest business with deep roots in the Midwest including Indiana and Nebraska. The partners in the business are Bobby King, Penny King, and Tim Maiefski. They recently opened their new offices on Wigwam Boulevard next to Hair Cutters in the Park in April.

Bobby and Penny grew up in north central Indiana attending Caston High School, about an hour north of Indianapolis. They dated in high school, reconnected over 20 years later and married. Bobby grew up on a farm, but started selling insurance in 1974. Penny worked in banking for over 20 years. They joined forces in the 1990s as financial planners. Moving to Arizona in 2000, they established King Enterprises in Goodyear and bought a home in Litchfield Park.

Tim Maiefski is the youngest of 14 children, born and raised in Omaha, Nebraska. Tim moved with his parents in 1993 to Arizona. In 1995, he started with Charles Schwab as a financial consultant, helping people, face-to-face with their monetary strategies. He joined Bobby and Penny about two years ago, forming KM (King/Maiefski) Advisory Group.

Partners Bobby King, Penny King, and Tim Maiefski

Their approach to financial planning is Holistic. They have learned that all things financial are related. A tool they use to illustrate this principle is a wheel with a list of topics related to financial planning. When they meet with people they look at all aspects like estate planning, long-term care, and social security advice, to mention a few.

Education and promoting financial wellness is also an important part of their business. Tim finds that many people spend more time planning their vacation than they do planning their retirement. They sometimes feel like an emergency room with clients rushing in with a crisis. Using a medical comparison, they want people to come in for a blood pressure check-up instead of a heart attack. To promote knowledge and financial wellness, Bobby and Tim often hold classes in the Litchfield Park Library.

They help people understand how all the pieces fit together. Everyone has a different story and it's usually complex. They love solving puzzles and giving people options.

Looking things up online does not provide all the answers. KM Advisory Group works with a team of experts including Attorneys, CPAs, Insurance, Medicare, Investment Advisors and Reverse Mortgage specialists to help in assisting and advising clients. KM Advisory Group is a one-stop shop.

Bobby says that they moved their business to Litchfield Park because of its Midwest feel and the potential to help people. Tim says "Litchfield Park is a great town with great potential". Bobby, Penny, and Tim meet by appointment only. Give them a call at 623-935-5101. They also have a great web site at kmadvisorygroup.com.
