Low Staff-to-Camper Ratio

The Camp Summer Days Youth Program employs a 1-to-12 staff-to-camper ratio. Compare our ratio with surrounding programs and you will see that we are lower than most, meaning we keep our ratio small to ensure quality care and safety of your children.

Free Shuttle Service Provided

Register for other City of L.P. summer programs and we'll make sure that they get there and back to our camp safely! We offer swim lessons, swim team, tennis lessons, and a soccer camp in the summer.

Free Daily Swimming Offered

Each day of camp, we allow our campers the opportunity to swim at our Recreation Center for Free!

Scheduled Payment Options

Want to register for more than one week of camp, but can't afford to pay for the entire summer at once? We offer scheduled payments for our families. The first week of camp registration per child requires the full camp payment at the time of registration. All additional weekly registrations require a \$20 non-refundable deposit per child / per week to reserve a space in the camp. The remaining camp fees are due seven (7) days prior to the first day of weekly camp in which your child is registered.
