Shop The Park

VOLUME III, ISSUE 3

DECEMBER, 2016

Six Reasons to Shop Local

1. Shopping local creates jobs. Shops in our town create local employment and self-employment. These people in turn spend in the local community.
2. Shopping local retains our communities. People don't like losing shops and services in small towns but don't equate this to how they spend their money.
3. Shopping local retains our distinctiveness. Local shops create distinctive shopping experiences and stock different products. Local businesses respond quickly to the needs of local customers, stocking products to meet the changing population needs.

Through December 31st

4. Shopping local saves the environment. Local shops often stock a high percentage of local sourced goods which do not require long car journeys, helping reduce our global footprint.
5. Local shops value you more. Evidence from numerous surveys show people receive better customer care and service locally. These businesses survive by their reputation and repeat business.
6. Local independent shops invest more in our communities. Local businesses are proportionately more generous in their support of local charities, schools and community events. Supporting local shops means a positive financial impact on your city services like police, fire and parks.

SHOP, DINE AND WORSHIP IN LITCHFIELD PARK

by Darryl H. Crossman, City Manager

Did you know that when you shop and dine in your hometown of Litchfield Park, a portion of the sales tax you pay provides revenue to the City of Litchfield Park for expenses of municipal services such as: park and road maintenance, Recreation Center activities and programs, police and fire contracts, code compliance, and other operational needs? Did you know that, until recently, Albertsons—who has been a staple in the City since 2003—was the only grocery store located within the City? In August of 2016, we welcomed Fry's Marketplace as an additional food, apparel and home goods shopping experience. We are confident that these two stores offer the variety needed to meet the many different needs of local shoppers.

Since our community is much smaller than others in the Valley and does not assess a local property tax, sales tax revenue has a great impact on our City budget. I realize that our City does not offer shopping and dining to meet all needs, but I would encourage you to help keep your tax dollars at home by shopping and dining in Litchfield Park whenever possible. Keep in mind the sales tax you pay in Litchfield Park stays in Litchfield Park to help pay for City services. Help us keep Litchfield Park sales tax in our own community.
