

Enhancing Community Surroundings

Litchfield Road, Bird Lane to Camelback Road Improvement Project

ADOT Project Information Line: 855.712.8530

November 2017

IMPROVEMENTS AHEAD

The Arizona Department of Transportation (ADOT), in partnership with the City of Litchfield Park, awarded a contract to Visus, Inc. to improve Litchfield Road between Bird Lane and Camelback Road. Improvements include installation of sidewalk, curb and gutter, landscape irrigation system and landscaping.

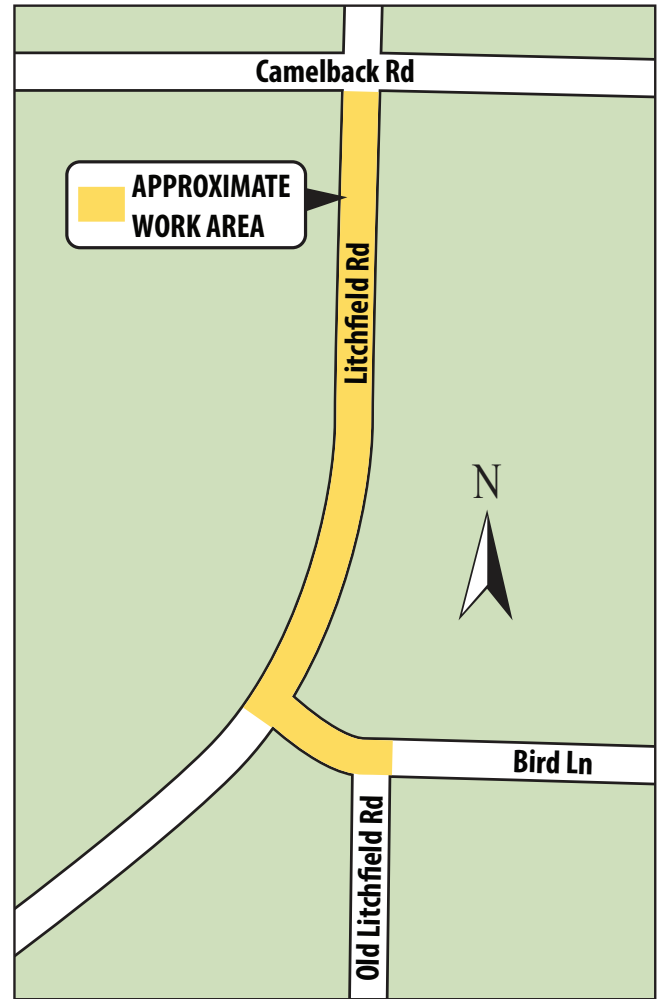

Construction will get underway in early November 2017 and project completion is slated for the end of January 2018. Construction works hours will be 6 a.m. to 5 p.m., Monday through Friday. Construction crews may work evenings and weekends, if needed.

TRAFFIC RESTRICTIONS

During the improvement effort, expect traffic lane closures and restrictions; however, access will be maintained for residents, businesses, and emergency vehicles. Please allow extra time when driving through the area as there may be traffic delays.

SAFETY MATTERS

Please slow down, obey temporary roadway signs and do not move barricades or traffic control signs that are in place for your protection. Your safety matters to us.

Thank you for your patience and cooperation during the improvement project.

FOR MORE INFORMATION

If you have questions about the improvement effort or need special assistance, please call the ADOT project information line at 855.712.8530 or email the project team at projects@azdot.gov.
