

## LITCHFIELD PARK 2019 ARCHITECTURAL SCAVENGER HUNT

The City of Litchfield Park Building Safety Department is celebrating Building Safety Month with a Scavenger Hunt! The hunt consists of these 10 features that may be found throughout the City. All items are visible from main streets within the City limits. Find the address, identify the building or location. Words in **bold** represent architectural terms.

**Entries with the correct answers will be entered into a drawing for prizes!**

1. Fake **vigas** adorn this store front.

2. **Awnings** adorn shops along this street.

3. Who is honored at this **monument**?

4. Stone **veneer** is used as an accent at this center.

5. **Retaining** walls provide seating at this park

6. A **colonnade** provides shade for this building

7. Copper **sconces** and ornamental **beam supports** decorate these **columns**.

7. Clay **roofing tiles** and **flues** top this roof and chimney

8. Only a few of these **bollards** remain. They were meant to represent 'family'

10. **Adobe** is thicker around openings to provide added stability to the wall.

**MUST BE LP RESIDENT TO WIN PRIZES**
