### **COVID-19 Precautions for City and Residents**

LITCHFIELD PARK, AZ, March 26, 2021

On March 25th, Executive Order 2021-06 issued by Governor Ducey, lifted face covering requirements throughout Arizona. Governor Ducey has recommended businesses follow COVID-19 precautions and recommendations provided by the CDC, DOL, OSHA, and ADHS. This executive order also allows political subdivisions to place their own restrictions on City owned facilities and City sponsored events.

The City of Litchfield Park continues to support public health officials in practicing safe social distancing and the wearing of face coverings. Under the Governor's order, businesses may institute and enforce face covering policies to mitigate the spread of COVID-19, and retain the right to refuse service to those who do not comply with their policies.

All City of Litchfield Park facilities are requiring employees, residents and patrons to continue wearing a face covering within any City facility and at any City event through May 1, 2021.

All previous restrictions set forth in the May 20, 2020 and June 19, 2020 Proclamation have been removed.

For more information, please contact City Hall at 623.935.5033.
